

Onderdelenboek behorende bij de wiellader

Werklust

Model

WG 17 F

TIER 3

Dit onderdelenboek behoort bij een WERKLUST wiellader type **WG18F**.

Bij het bestellen van onderdelen dient men het volgende op te geven:

1. Type machine (**WG18F**)
2. Chassisnummer
3. Artikelnummer
4. Beschrijving van het onderdeel
5. Benodigde aantal

Bij het bestellen van onderdelen van de **motor** dient men naast bovengenoemde 5 punten ook nog op te geven:

- Typenummer motor
- Motornummer

Bij het bestellen van onderdelen van de **transmissie** dient men naast eerstgenoemde 5 punten ook nog op te geven:

- Type transmissie
- Stuklijst nummer (zie typeplaatje)

Bij het bestellen van onderdelen van de **assen** dient men naast eerstgenoemde 5 punten ook nog op te geven:

- Type as
- Stuklijst nummer (zie typeplaatje)

EEN POSITIE NUMMER MET EEN * (**STER**) ERVOOR IS GEEN RESERVE ONDERDEEL

In het belang van voortgaande ontwikkelingen, behoudt WERKLUST zich het recht wijzigingen aan te brengen, die doelmatig geacht worden.

U kunt zowel schriftelijk als telefonisch onderdelen bestellen, of u kunt de onderdelen zelf afhalen.

Diesem Ersatzteilen buch gehört zum WERKLUST Radlader Type **WG18F**

Für die Bestellung von Ersatzteile sind folgende Angaben erforderlich:

1. Maschinentyp (**WG18F**)
2. Fahrgestellnummer
3. Artikelnummer
4. Beschreibung des Ersatzteiles
5. Verlangte Anzahl

Für die Bestellung von Ersatzteile des **Motors** sind neben die oben genannte 5 Punkte auch erforderlich:

- Typnummer des Motors
- Motornummer

Für die Bestellung von Ersatzteile des **Getriebes** sind neben die oben genannte 5 Punkte auch erforderlich:

- Getriebetyp
- Stücklistennummer (Typenschild)

Für die Bestellung von Ersatzteile den **Achsen** sind neben die oben genannte 5 Punkte auch erforderlich:

- Achstyp
- Stücklistennummer (Typenschild)

WERKLUST behält sich das Recht vor Änderungen anzubringen, wenn es wirksam geachtet wird.

Sie können schriftlich sowie telefonisch Ersatzteilen bestellen.

WEBSITE www.werklust.nl

This parts catalogue belongs to a WERKLUST wheel loader type **WG18F**.

When you want to order spare parts, the following items must be quoted:

1. Type of machine (**WG18F**)
2. Frame number
3. Part number
4. Description of the spare part
5. Required quantity

When you want to order spare parts for the **engine**, besides the first 5 points the following are important:

- Assembly number engine
- Engine number

When you want to order spare parts for the **transmission**, besides the first 5 points the following are also important:

- Type of transmission
- Item list number (sign plate)

When you want to order spare parts for the **axles**, besides the first 5 points the following are also important:

- Type of axle
- Item list number (sign plate)

For the interest of proceeding development, WERKLUST retains the right to make changes that are considered functional.

You can order spare parts written as well as by telephone.

The address is:

WERKLUST HOLLAND B.V.
